Woden Primary School

Woden pupils have continued to make us extremely proud of their commitment and achievement this half term both in and outside of the classroom. Visitors to school regularly comment on the outstanding behaviour and engagement they have seen in classes and during visits. Our first NSPCC 'Number Day' was very successful, thank you so much for your support for this very worthy charity.

News and Information

Welcome to D'Eyncourt Primary

D'Eyncourt Primary School have officially joined CLPT and will be working closely with us in the future. Mrs Vernon will be taking the role of Executive Headteacher, strengthening links between the two schools.

Number Day

All the children looked great in their clothing showing a huge range of numbers and managed to raise a fantastic £205.60 for the NSPCC. They enjoyed a day of mathematical activities involving numbers ranging from bingo and dot to dots to algebra! Thank you so much for your generosity!

World Book Day

World Book Day will be taking place on Friday 2nd March and children will be asked to dress up as their favourite book character for this annual, fun event.

Road Safety

Our local PCSOs have kindly been patrolling the areas around school at key times during the day to ensure parking restrictions are adhered to. We would like to ask that drivers please take extra care when reversing their vehicles on the road outside the school as children cannot easily be seen when maneuvering.

Half Term

We would like to wish you a safe and happy half term holiday. The half term break begins on Monday 19th February and children should return to school on Monday 26th February.

Parent Governor Vacancy

If any parent is interested in joining the Local Governing Board, please can you put it in writing to the school office by Wednesday 28th February. If there is more than one nomination then a vote will need to take place in order to fill the position.

Important Dates

Please take note of the dates on the reverse of this newsletter for this term. These will be updated as we progress through the weeks. All information and much more is also available on our website: www.wodenprimary.org.

Woden's Attendance
