Woden Primary School

Welcome back to a brand new academic year at Woden. The children have settled well into their new classes. They are focused and ready for new learning.

I must say they look incredibly smart in their new uniforms too!

Mrs H Vernon

Headteacher

News and Information

Pupil Information Sheets

Could we take this opportunity to say a huge thank you to all parents who have returned pupil information/data sheets before the holidays, which helped us to pass correct information to the new classes. Please return any pending data sheets to school ASAP with two contact numbers.

Milk and Dinner Money

Please can all dinner money payments be paid to the office on a Monday morning and if you wish your child to have milk this term, please pay £11 to the office by tomorrow Friday 14th September.

Parking

A polite reminder to follow the parking rules to avoid any fines. School has requested this area to be monitored by local PCSOs to ensure the safety of all children and adults.

After School Clubs

After school clubs will begin from week beginning 24.9.18, you should have received a letter explaining what clubs are on offer this term. Please understand that spaces can be limited in certain clubs, and therefore only children receiving a confirmation slip can attend. Could parents also ensure they collect children at the end of any club promptly.

Macmillan Coffee Morning

On Friday 28th September, school will be holding a coffee morning to raise money for Macmillan Charity. This was a very successful event last year and we raised a significant amount of money. Please come along and support this worthy cause.

Important Dates

Please take note of the dates on the reverse of this newsletter for this coming term. These will be updated as we progress through the weeks. All information and much more is also available on our website: www.wodenprimary.org.

Woden's Attendance

Please ensure your child attends school regularly unless poorly. During this first and very crucial term absences can quickly lower the attendance figures. The Government has set schools the target of at least 96% attendance. Any parent whose child attends less than the government expectations may find involvement of our school Attendance Officer.

Important Dates
