# Woden Primary School

We have had a very positive start with pupils already taking part or looking forward to a wide variety of activities planned for this term. We had a special assembly visited by two guide dogs last week to thank for the money raised through bottle tops last year. School Council is now planning a project to support this charity further.

As always, the children at Woden are focused and keen to learn.

Thank you so much for your continuing support.

We have had a great response to the after school clubs. Children now have been allocated places and the clubs will begin on Monday 28th January. Please understand that spaces can be limited in certain clubs, and therefore only children receiving a confirmation slip can attend. Could parents also ensure they collect children at the end of school day, or any club, promptly.

### Young Voices

The school choir took part in the Young Voices concert which took place at Birmingham Genting Arena and as always the children were credit to the school.

### Number Day

We will be holding a 'Number Day' on Friday 1st February in order to raise money for the children's charity the NSPCC. The children will be asked to wear clothing with a number on it and will take part in a wide variety of practical Maths activities in class throughout the morning. A donation of £1 per family would be greatly appreciated in order to support this extremely valuable charity.
